

# VMO Reunion

May 22-23, 2010

*Ft. Worth, Texas*

For the first time in history there will be a reunion of Marines to include all VMO units since the first combat flight of the OV-10 (VMO-2) in 1968 to the deactivation of the last OV-10 Squadron (VMO-4) in 1994.

This is an opportunity to be a part of history and to reconnect with Marine Corps buddies from years past . . . this is not a reunion to be missed! This is not only about our love for the OV-10, but our bond with fellow Marines . . . it's about each other.
